Allergens Declaration

CCfood™ (calcium chloride food grade) produced by TETRA Chemicals in Kokkola, Finland, does not contain any of the allergens referred to in Regulation EU 1169/2011, Annex II. Neither are any of these substances present either on the production line or in the production facility.

A handwritten signature in blue ink, appearing to read "S. Jansson", is written over a horizontal line.

Samuel Jansson

Technical Manager
