

# Cem-gone

*Environmentally friendly, fast-acting,  
cement remover*

## Product Description

**Cem-gone** contains an organic, naturally occurring, plant-based active ingredient that is excellent at breaking down bonds, dissolving and releasing hardened cement from common construction site surfaces.

**Cem-gone** will keep your tools, equipment and vehicles cleaned and maintained. Efficient, fast-acting and highly effective at penetrating and loosening concrete.

## Technical Data

Appearance	Low viscosity liquid
Colour	Water white to very pale yellow
Flash Point (PMCC)	Water-based N/A
Solubility in water	Total
Coverage	As substrate requires
Recommended dilution	None required

## Advantages

- Powerful cleaner, more effective and safer than other products on the market based on citric, hydrochloric, sulphuric & phosphoric acids.
- Safe and ready to use.
- Non-flammable & non-volatile.
- Biodegradable.
- Low to no corrosion on most metals and surfaces.
- Fast-acting & efficient.

## Application

- Apply an even coat of Cem-gone using a low pressure sprayer.
- Allow at least 30 minutes contact time.
- Thoroughly rinse & clean the treated surface with a high pressure washer.
- Usage depends on thickness of concrete; thicker deposits may require more than one application.
- Leave Cem-gone to act from 30 minutes to 12 hours depending on thickness or age of concrete.
- Appropriate personal protective equipment must be worn at all times.

# Cem-gone

## Health & Safety

- When working with **Cem-gone** suitable protective clothing, eye/face protection and gloves should be worn.
- Areas where this product is being applied must be well ventilated.
- For further health and safety information, please refer to the relevant Safety Data Sheet.

## Packaging

**Cem-gone** is available in 5, 20, 25 and 200 Litre Containers. IBC`s available on request.

## Storage

**Cem-gone** should be stored under dry, frost-free conditions (>5°C) away from direct sunlight.

Under such conditions the shelf life is at least 24 months, if unopened.

Storage life – 24 months from date of manufacture providing the storage temperature parameters are upheld.

## Important Notice

Whilst all reasonable care is taken in compiling technical data on the Company's products, all recommendations or suggestions regarding the use of such products are made without guarantee, since the conditions of use are beyond the control of the Company.

It is the responsibility of the customer to satisfy himself that each product is fit for the purpose for which he intends to use it, that the actual conditions of use are

suitable, and that in the light of our continual research and development programme the information relating to each product has not been superseded.
