

Request a colour match

Your Name	
Company (if applicable)	
Email:	
Tel:	
Our Product of interest:	
Comments/Notes:	

Please take note

- Ensure the sample you send us is large enough (ideal size 50x50mm) and in good condition.
- Our colour matching service typically takes 1 to 3 working days. We will contact you via your given telephone number or email address once we have completed the process.
- We may not always be able to match your colour, although this is isn't common, we will let you know by email if this is the case.
- While every effort is given to match your colour, we do not provide any guarantees. We will not held responsible for any costs incurred if you place the order and are not happy with your chosen colour.
 - We are not able to match natural wood, fabrics or textured surfaces

Ensure you have completed the fields above, print, include your sample and post to the following:

Palatine Paints & Chemicals, 55 Smallbrook Lane, Leigh, WN7 5PZ
